

BENEFITS OF BECOMING A CERTIFIED ADOPTION ATTUNED COACH

As a Certified Adoption Coach, You:

1

will be able to list the certification as a specialty in your practice

2

get noticed as an expert in adoption when individuals or families seek out coaching

3

be better equipped to address the unique challenges and issues your clients may face

4

be more effective in your coaching, not only for people in the adoption constellation, but for anyone who has experienced family fracture

5

feel more confident in your coaching and your life

6

know that your personal experience in the adoption constellation has value, allows for increased understanding & openness, and brings a non-judgmental, capability mindset to your coaching
